Brain Injury Association
c/o Melanie Gardin
201-200 West Grand Blvd.
Windsor, ON N9E 3W7

Dear Ms. Gardin and members of the Brain Injury Association,

On behalf of the Windsor-Essex County Health Unit and Southwestern Ontario *in motion*, we would like to give our sincere thanks to you for the contribution of helmets for the Rediscover Your Bike Event on June 12, 2010.

The event was a great success, with an estimated 130 participants (i.e., participant rate tripled from last year) taking part in helmet fitting, bike safety checks, the bike rodeo, and/or the trail riding at Little River Park. Thankfully, the thunderstorms held off and the sun was shining our way!

For the injury prevention component of this event, The Windsor Paramedic Bike-Patrol Association was available to fit helmets and to give instruction on proper use. We are estimating that there was almost 100 new bike helmets handed-out and fitted at this event. As well, helmets brought in by many of the other participants were also fitted properly. You could tell by the faces of both the parents and the children that they were sincerely thankful of the information and fitting that they received specific to their own helmet.

We look forward to working with you to continue to build on this year's success and to create an annual bicycle festival for all ages to enjoy.

Warmest regards,

Karen Lukic

Cathy Copot-Nepszy
