or email: info@biawe.com to get on the invitation list.

Meetings are done via ZOOM.

Pediatric Caregiver Support Group

This support group, new for 2021 is for parents and caregivers of children ages 6 to 18 who have an acquired brain injury (ABI). This program empowers caregivers to manage the challenges that ABI brings to their child, their families and themselves. Freedom to exchange ideas, facilitated by a social worker will help reduce caregiver strain and burden and through education and training, will improve the quality of care for children with an ABI.

3rd Wednesday of every month at 7:00—through Zoom

Sponsored by:

SOLCZ FAMILY
FOUNDATION

“You Are Not Alone” Peer Support Group

This is a monthly support group for individuals with acquired brain injury aged 18+ years and their family and friends. Talk with others about things you care about and get information and support that can help you.

2nd Tuesday of each month 7:00—through Zoom

Peer Support and Mentoring Program

Partner - You will have the opportunity to learn from someone “who has been there” and can offer you guidance and support based on their own personal experience living with ABI.

Support is provided to you via the telephone and internet, based on your preference so you can participate in the comfort and privacy of your home.

Mentor - You have the opportunity to help others by sharing your experience by providing support and information to your partner who has a similar lived experience.

You will have comprehensive training in your community to match with a Partner.

It's a one year commitment.
